-High Adventures

Ms. Weidner: The Boy Scouts have three High Adventures—Sea Base, Northern Tier, and Philmont. There is a 3 to 4 year waiting list for Philmont. We may get into Philmont for 2008. Really want you guys to get the Triple Crown Award. Any questions? Conley Potter asked do you have to be 13 for all of them? Ms. Weidner said no, 14; except for Northern Tier the age limit is 13 there.

Philmont takes out about 1500 people a day. It is the toughest one to get in. The one great thing about Sea Base is that it is open year long.

Michael Fay said we should do Seabase because it is year round.

We have decided that Seabase for older scouts to go in spring; younger scouts go in winter.
